

YUASA

# World's No.1<sup>※</sup> Motorcycle battery

## Extreme Long Life

**NEW!**

# YTB

series

※Global market share estimated by GS Yuasa (2019)

# YUASA genuine AGM is the best technology for Motorcycle application

**Maintenance Free**

**A**bsorbed **G**lass **M**at

AGM separators retain the electrolyte and help the internal gas absorption to negative plates. This makes the battery require no refilling and realize maintenance free.

**Good Value**

**Long Life**

Save money with extreme long life.

**Pure Lead**

Maximum quality battery with high-purity lead.

**Motorsport Sponsor**

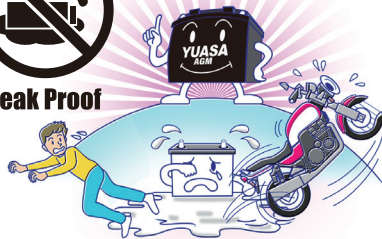

YUASA sponsors Repsol Honda Team in MotoGP™.

**Leak Proof**

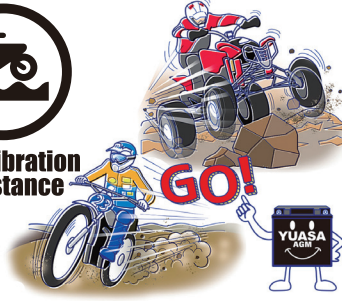

**No Problem**

Safety structure against electrolyte leakage for motorcycle and human.

**High Vibration Resistance**

High durability with vibration resistant design.

**For Everyday Use**

Reliable starting power for everyday use, including frequent start and stop cycles.
