

# Verification Statement

18 August 2021  
Statement No : SGS21/028

Mr. Osamu Murao  
President  
GS Yuasa Corporation

## Objective

SGS Japan Inc. (hereinafter referred to as "SGS") was commissioned by GS Yuasa International Ltd. (hereinafter referred to as "the Organization") to conduct independent verification based on Criteria of Verification (ISO14064-3: 2006 and the SGS verification protocol) regarding the data prepared by the Organization on the scope of verification (hereinafter referred to as "the assertion"). The objective of this verification is to confirm that the assertion in the Organization's applicable scope has been correctly calculated and reported in the assertion in conformance with the criteria, and to express our views as a third party.

## Scope

The scope of verification is Scope 1, 2 emissions and energy consumption.

The period subject to report is from 1 April 2020 to 31 March 2021.

Refer to the attached sheet for the detailed scope of verification.

## Procedure of Verification

The assertion was verified in accordance with Criteria of Verification, and the following processes were implemented at a limited level of assurance:

- Verification of the calculation system: Interviews on the measurement, tabulation, calculation and reporting methods employed by the Organization as well as review of related documents and records
- Verification of the assertion: On-site verification and review of vouchers conducted at Gunma Plant and GS Yuasa Energy Co., Ltd., and analytical procedures and interviews for other sites in the scope of verification carried out at the head office

The criteria for this review are based on the Act on the Rational Use of Energy, GHG Emissions Calculation and Reporting Manual Ver. 4.7 and the procedures specified by the Organization.

## Conclusion

Within the scope of the verification activities employing the methodologies mentioned above, nothing has come to our attention that caused us to believe that the Organization's assertion was not calculated and reported in conformance with the criteria.

SGS Japan Inc. affirms our independence from the organization, being free from bias and conflicts of interest with the Organization.
