GS Yuasa Corporation

**Statement regarding the incident involving the battery  
for Mitsubishi Motors Corporation**

As reported in the news on the two incidents involving the battery which were publicly announced by Mitsubishi Motors Corporation yesterday, investigation on the cause is currently being conducted by the joint team of Mitsubishi Motors Corporation, Lithium Energy Japan which is the battery manufacturer, and GS Yuasa Corporation. We will make our best efforts as GS Yuasa Group to ascertain the cause in order to solve this matter as soon as possible.

We appreciate your understanding on this matter.

Makato Yoda

President

GS Yuasa Corporation
